All registrations will be taken online. Directions and hotel information will be on the registration page. Registrants will be emailed a confirmation (please be sure to leave an accurate email address). Fees include a continental breakfast, refreshment break, lunch and course materials.

Ophthalmologists, practice administrators, technicians, scribes, coders and billers

Have a specific coding conundrum? Email questions to codequest@aao.org before the course and get answers to your personal coding challenges.

SUE VICCHRILLI, COT, OCS, OCSR
Sue is the Academy's director of coding and reimbursement. Her experience in ophthalmology includes coding, reimbursement, practice management and clinical and surgical assistance. She is the content director for the Academy's entire line of coding products, including the Ophthalmic Coding Specialist Retina Exam, and recipient of the Academy's Achievement Award and IJCAHPO Statesmanship Award.

REFUND POLICY- A full refund, less $50 per person administrative charge, will be issued with a written request to NJAO by April 1, 2020. No refunds will be issued after that date.

Level Up at Codequest™ 2020
The best way to protect your practice from claim denials and audits.

Join the most knowledgeable coding experts in ophthalmology for a half-day of professional instruction in your area. We’ll map out the latest coding updates and steer you through the complex maze of payers’ rules, arriving at successful solutions for preventing claim denials and avoiding penalties.

Developed by the American Academy of Ophthalmology and presented in partnership with The New Jersey Academy of Ophthalmology, Codequest provides unparalleled instruction relevant to all practice sizes, and each session includes valuable information specific to your state.

HOW YOU’LL BENEFIT

- Boost your documentation and coding performance according to federal and commercial payer rules
- Implement coding competencies for each specialty
- Learn to prevent claim denials
- Prepare for the inevitable audit scenario
- Codequest is a great resource for helping you prepare to take the OCS exams

WHAT YOU’LL COVER IN FOUR HOURS

Codequest’s all-new 2020 program is the fastest way to understand this year’s critical coding changes, including:

- Implementation of the new E/M documentation guidelines
- New cataract/glucoma codes and criteria for extended and subsequent ophthalmoscopy
- Important updates of CPT, ICD-10, HCPCS, CCI, MUE, LCDs & payment changes for 2020
- Prepare for the inevitable audit scenario
- Recent events impacting retina reimbursement and audit targets
- The impact on reimbursement for CCI edit examples
- MIPS reporting updates for 2020

BONUS: Each attendee will receive fact sheets on these valuable topics:

- Bundling edits of testing services
- Frequency of testing services
- Premium IOL Dos and Don’ts for out-of-pocket expenses
- Refractions
- Who can document what parts of the history & exam
- A-scan and ultrasound billing
- Cataract surgery
- Complex cataract surgery
- Strabismus add-on codes
- Skilled Nursing Facility
- Exams under anesthesia same day as surgery
- Blepharoplasty and ptosis guide

Accreditation Statement
The American Academy of Ophthalmology is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Designation Statement
The American Academy of Ophthalmology designates this live activity for a maximum of 4 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

IJCAHPO CE Credits
Ophthalmic allied health professionals receive 4.0 IJCAHPO Group “A” CE Credits for completion of this course.

AAPC Credits
AAPC will honor 1-for-1 CEUs for any live event offering CME credit or AMA PRA Category 1 Credit.
